

On September 14, 2019, SmartHub Foundation will produce the second annual Lancaster MusicFest, an exceptional community experience that brings together live music, local food, local craft beer, street performers, local artisans, and plenty of space to relax with friends, all in a fresh air festival environment, and all for the benefit of local nonprofit organizations that are making a meaningful impact in Lancaster.

Lancaster MusicFest is the flagship event produced by the SmartHub Foundation, whose vision is to create a more engaged, healthy and vibrant Lancaster.

LHOP's work is grounded in the belief that everyone deserves a quality, affordable home to buy or rent, with a continuum of choices. LHOP partners with other nonprofits, builders, developers, lenders, real estate agents and municipal officials to turn the dream of a quality home into reality for renters and buyers. **A portion of proceeds from Lancaster MusicFest 2019 will support the LHOP Home Buyer Course, providing education and resources to first-time home buyers.**

Children's Miracle Network at Penn State Children's Hospital is a nonprofit organization that serves the Lancaster, Harrisburg, Lebanon and York region. Funds provided by Children's Miracle Network support life-saving equipment, vital patient programs and innovative research to help provide the best possible care to sick and injured children in our community. **A portion of proceeds from Lancaster MusicFest 2019 will support the Music Therapy program at Penn State Children's Hospital, funded by Children's Miracle Network.**
