VENDOR APPLICATION RULES AND POLICIES

- 1) Submitting an application does NOT guarantee you a space. SmartHub Foundation will be accepting a limited number of vendors for this event. Having been accepted in the past does NOT guarantee you a space, seniority or any special acceptance privileges. Applications will be reviewed by SmartHub Foundation and vendors will be selected based on a number of criteria, including: proposed items, completeness of application, space requirements, appearance of stand, and adherence to rules. Preference may be given to event sponsors, Lancaster County businesses, uniqueness of items and the order in which applications are received. If you are a new vendor, you must include a minimum of two references from a minimum of two other events. All non-compliant applications will be returned as incomplete.
- 2) Vendors may submit applications for more than one vending space, providing that the two locations requested offer different items. Acceptance of two different vending proposals from the same vendor does not indicate that the stands will be adjacent to one another. Stands will be arranged within Lancaster MusicFest based upon the nature of the items offered. Vendors should make sure they have the resources and staff to operate two vending locations.
- 3) Vending permits are not transferable by sale or trade. If a vendor sells or transfers title to their business after being accepted into Lancaster MusicFest, the letter of acceptance issued by SmartHub Foundation will be null and void.
- 4) Vendors may only sell the items listed on their application during the listed sell times. New items may not be added after acceptance has been granted. Vendors must post prices for all items as listed in their application. Any vendor who does not post their pricing or who changes prices from those submitted will be removed from the event area with no reimbursement of vendor fees, and will not be invited to submit proposals for future events.
- 5) Vendors who have exhausted supplies or are eager to travel, may not leave prior to the official end time of the event, unless dismissed by the SmartHub Foundation event coordinator. Vendors who do not adhere to event published vending times will not be invited to submit proposals for future events.
- 6) **Acceptance:** Once accepted, your vendor fees must be submitted to SmartHub Foundation by Monday, August 12. If payment is not received by this deadline you risk losing your space to another vendor. All cancellations must be submitted in writing 14 days before the scheduled start of the event. Regardless of cancellation date, the vendor is still responsible for paying their vendor fee for the contracted amount. After receipt of fee, no refund of vendor payment(s) will be made to any vendor under any circumstances.
- 7) **Parking:** For safety reasons, NO PARKING will be permitted on festival grounds. Support vehicles and trailers must be un-hitched and parked off-site.
- 8) **Set-Up:** All vendors must be available to set up during the listed set-up times when SmartHub Foundation event staff is on-site. No tables, chairs, weights, or other supplies will be provided for vendor spaces. The use of ballast blocks, water barrels or other weights is permitted as long as it done safely per the tent manufacturer recommendations. Tents with stakes shorter than 10 inches in length will be permitted. Once accepted, you may not increase the size of your vending space or bring supply vehicles or tent weights that require more space.
- 9) **Weather:** This is a rain or shine event. In the event that severe weather or a declared state of emergency results in cancellation of any or all Lancaster MusicFest days or limits MusicFest hours of operation on certain days, NO REFUNDS WILL BE ISSUED BY SMARTHUB FOUNDATION FOR ANY REASON.
